

Stuff the Bus Christmas Appeal

Dear Hayden

Thank you for your generous support of our Stuff the Bus 2016 Christmas Appeal.

The heart of Stuff the Bus is about placing dignity on parents, creating special moments for children and gathering family and friends around a Christmas meal.

Your contribution enabled us to make Christmas brighter and happier for over 7,000 families across the East Coast of Australia. These included the elderly, newly arrived asylum seekers, refugees, children with a parent in prison, people who are homeless or in detention centres. Our volunteers also visited local hospitals; children's hospice and delivered hampers and gifts to families we knew were facing a tough Christmas in our local communities.

There are undoubtedly many more untold stories of lives impacted through your generosity and on their behalf we say thank you!

The part you have played is invaluable in ensuring that more families are cared for and helped each year.

Yours sincerely,

Mark Anderson
